Major Engineering Work on Sundays 4 January to 15 February 2009 (inclusive)

Please note that major improvement work will be taking place on Sundays between Liverpool Street station and Ingatestone during January and February 2009; this is the first stage of the major replacement of overhead line equipment some of which is nearly sixty years old.

Alternative arrangements will be put in place to replace trains that normally serve Liverpool Street. However, there will be extended journey times.
